CLASSROOM EXPECTATIONS

You are expected to bring to class **every day**: your textbook, workbook and blue or black pens and your binder. Leaving the classroom once the class has started is not encouraged. Please take care of restroom needs before class begins.

In order to maintain a positive learning environment, there should not be unnecessary talking in class. You are expected to arrive in class **on time** and in an orderly manner. To take full advantage of the class time, you are to start working on the warm-up exercise immediately upon arrival.

I encourage you to use as much Spanish as you can in the classroom on a daily basis. Remember, the purpose of learning a language is to communicate with others, so I also encourage you to use Spanish outside the class as much as you can.

CLASSROOM POLICIES

According to school policy, eating food, chewing gum, or drinking inside the classroom is not permitted.

The only books allowed on your desk during Spanish class are your Spanish books. Other books will be confiscated and given to the Dean of Students.

Please use blue or black ink when taking quizzes or tests. Tests submitted in pencil will receive a 5% reduction in grade.

Please wait for the teacher to dismiss you at the end of class and make sure the desks are placed in order and all trash thrown away before you leave the classroom.

For classes in SB3:

For the protection of the computers, all backpacks should be left **outside** of the classroom. You may only bring your Spanish books and your purse into the class.

Laptop use is reserved for on-line activities only. You may not have the laptops open during lecture. Also, you must stay on task while we are completing on-line activities. You will receive detention and possibly have your privilege of using the laptops suspended during class activities. If any activities are completed and collected during the time of your suspension, you will receive a grade of 0.

GRADING POLICY

Grades are based on the following:

Homework	10%
Participation/Conduct	15%
Projects	10%
Quizzes	15%
Chapter Exams	30%
Semester Final	20%

Tests and quizzes will be announced in advance. Projects must be submitted on the indicated due date. Late work will receive no credit.

Homework will be assigned daily. Only complete assignments will receive credit.

You will also receive a grade for class participation and conduct each quarter. Disruptive behavior will affect your score which, in turn, will affect your overall grade.

MAKE UP WORK

Make up work will be accepted only if you were absent on the day it was assigned.

If you are absent, it is your responsibility to obtain make up work by checking my website. Absence should not be an excuse for dropping behind in homework and studies. You are encouraged to exchange phone numbers with one or two classmates so you can give them a call and keep yourself up to date.

At the end of the semester, I will not count the lowest quiz score or a missed quiz. If you miss a test due to an excused absence, you should talk to me and schedule a make up the day of your return. If you miss a second test, your score will be dropped by 10%.

SEMESTER PROJECTS

You will be responsible for at least two projects during each semester. Information regarding these projects and their due dates will be given later on in the semester.

I will be available on Mondays from 2:45 PM – 3:30 PM. You are welcome to come for extra help at this time or you may make an appointment for another time.

Sick Room: If you become ill before class starts, please come to class to get a note from me **before** going to the Sick Room.

Activity absences: There are times that you may be absent due to activities such as field trips for other classes or away games for sports teams. Please bring your homework to me prior to your departure or send it with a classmate. Please see me the day before your activity if you will be absent on the day of a scheduled quiz or exam so that we can re-schedule you for a make-up assessment.
